Subject

Claims to the body revenue are invariably accepted or rejected by the investigating officers with reference to the records and the oral evidence produced by the claimants. Many of the papers produced by the claimants are not borne out by the Govt. records available in our Secretariat records. It is understood that accounts and registers as per list enclosed are available in the Taluk Cutcherries & by Comrs. Office. If the claims are verified by the investigating officers with these accounts & registers the work in the Secretariat will not only be facilitated but the claims can also be settled once for all without their being returned to the Collr
